

## STAGE REQUIREMENTS:

- A clear stage 8'X8' or larger.
- 10' or more of clear ceiling height.
- A 6' table on stage for my juggling props.
- An 8' table for my promotional material and sales items plus one person to help with my sales table before and after the show.
- A wireless microphone (clip on or ear).\*
- A sound system with CD player plus one person to run my music during my show.\*
- 4 raw eggs to use during my show.
- A bottle of drinking water to drink during my show.
- 45 minutes of uninterrupted time to get my props set and ready prior to the show.
- Someone who can adjust the lighting during my 45 minute set-up time so that the stage is lit where I can be seen and where I can best see the props I will be throwing.
- Steve does have a portable sound system that he can bring if necessary. Please let him know if you require him to bring his sound system.
